

THREE HANDS[®]
BUILDING COMMUNITIES

Project:
#TheOasis

Location:
**Okhla Phase-III,
South Delhi**

Welcome to **#ThreeHands**

With prime focus to build commercial real estate for select corporates, Three Hands Infrastructure (India) Private Limited (Three Hands) is a smart generation real estate company seeking new generation workspaces with global standards. Its innovative designs and concepts are as per the requirements of the corporates, making it the most preferred choice of leading corporates for office properties in New Delhi area.

Every project of Three Hands ensures safety and eco-friendly design standards that are at par with the best properties in the world. And why shouldn't it? After all, every human life is important and so is our fragile environment. Moreover, Three Hands envisages itself as a real estate development company with the highest standards of professionalism, ethics and customer service and therefore, ensures quality work at each and every step to deliver its clients world-class infrastructure. Three Hands is one of the few ISO 9001:2008 certified builders in India. The ISO certification covers processes related to design, construction management and marketing of commercial buildings. The company was incorporated on July 4, 2012.

power backup

Ready to welcome you in the heart of New Delhi

Built over **742 SQ yards**, #TheOasis is a two-side prime corner property in Okhla Phase III. The building, with **90% Glass Facade**, will provide its tenants spectacular view of greens around the property, hence the name - Oasis. The building is **North-east facing** and receives abundant sunlight especially during winter. Also as per Vastu Shastra, the direction is considered auspicious.

The eco-friendly design of this complete glass building, designed by famous architect duo **Vikas & Gauri Gandhi**, delivers Perfect Space Consolidation Solution. #TheOasis is a five story complex strategically situated in Okhla Phase III, in vicinity of Asia's largest IT market. Its architecture incorporates large, **efficient floor plates**, **wide column** span and high **floor-to-floor clearances**, for **optimal space** utilisation.
